April 6, 2016

To Our Valued Customers,

We have been informed by our polyethylene resin suppliers that due to increasing global and domestic demand, a resin price increase will be implemented on April 1<sup>st</sup>.

**As a result, Berry Plastics will implement a 5% increase on all of our Stretch Film products. This increase will take effect with all orders placed on or after May 2, 2016. The price increase effective May 2, 2016 is an additional increase to the price increase effective April 4, 2016. Berry Plastics reserves the right to limit the size of orders to historical quantities to better serve the anticipated demands of our customers. Orders must call for immediate delivery.**

Your local Berry Plastics Stretch Film sales representative will keep you abreast of changing market conditions and will be available to answer any questions you may have.

Thank you for your business and continued support.

Sincerely,
