

March 7, 2017

To Our Valued Stretch Film Customers:

Our resin producers intend to implement a resin increase effective on March 1<sup>st</sup>. This increase is in addition to the February price increase already implemented. Due to this pending escalation in resin prices, we must increase the pricing on our stretch film products.

**There will be a 7% price increase for all products, effective on orders received on or after March 27, 2017. All orders must call for immediate delivery.**

It is very important to take note that orders will be limited based on your average monthly shipments over the last six months. We reserve the right to accept or decline orders for any reason. Please contact your Sales Representative if you need any additional information.

Thank you for your continuing support of AmTopp stretch film products.

Sincerely,
