September 1, 2016

Dear Customer,

Westlake Polymers LLC is announcing a \$0.04 per pound price increase effective October 1, 2016 on all polyethylene grades. This increase is in addition to the previously announced \$0.05 per pound increase that is currently being implemented.

Orders will be accepted contingent upon a minimum two week lead time from shipment date and our ability to supply.

If you have any questions regarding product availability or this price increase, please contact your Westlake sales representative. We appreciate your business and look forward to continuing to serve your resin needs.

Sincerely,

Erik J. Keracik
Director Sales and Marketing, Polyethylene
