A GENERATION AHEAD™

April 23, 2015

To Our Valued Stretch Film Customers:

We have been informed by our raw material resin producers that they intend to implement a resin increase effective on May 1st. Due to this pending escalation in resin prices, as well as increased operating costs, we regrettably must increase the pricing on our stretch film products.

There will be a 7% price increase for all products, effective on all orders received on or after May 26, 2015. All orders must call for immediate delivery.

It is very important to take note that orders will be limited. We will strictly limit orders to a quantity based on your average monthly shipments over the last six months and reserve the right to accept or decline orders for any reason. Please contact your Sales Representative if you need any additional information.

Thank you for your continuing support of AmTopp and Pinnacle stretch film products.

Sincerely,

Tony Tseng
VP Marketing
