Theodore J. (Ted) Nataluk
PE Sales Manager

ExxonMobil
Chemical

January 31, 2012

Dear ExxonMobil Chemical Polyethylene Customer:

In addition to the previous \$0.06/lb. price increase implemented in January 2012, ExxonMobil Chemical Co. is announcing the following polyethylene price increases effective with all shipments on or after March 1, 2012;

\$0.07/lb. on all LLDPE Rotational & Injection Molding polyethylene resins

\$0.07/lb. on all HDPE and LDPE polyethylene resins

\$0.05/lb. on all Exceed™, Enable™, and LLDPE polyethylene resins

Your sales representative will be in contact with you to discuss specific prices on the grades you purchase and answer any questions that you may have.

We value your business and thank you for the continued opportunity to serve your polyethylene resin needs.

Sincerely,

Ted Nataluk
