**Subject: Polyethylene Price Increase Effective April 1, 2010**

Westlake Chemical Corporation is announcing a \$0.05 per pound price increase effective April 1, 2010 on all polyethylene grades.

This is in addition to the \$0.06 per pound increase effective March 1, 2010.

Orders will be accepted contingent upon a minimum two week lead time from shipment date and our ability to supply.

If you have any questions regarding product availability or this price increase, please contact your Westlake sales representative. We appreciate your business and look forward to continuing to serve your resin needs.

Sincerely,

Erik J. Keracik
