A GENERATION AHEAD™

May 13, 2014

To Our Valued Stretch Film Customers:

Due to escalating energy, packaging, transportation, and other non-resin related costs over the past year, AmTopp and Pinnacle have announced a price increase for all our stretch film products.

Effective with all orders received on or after June 2nd, 2014, there will be a 4% price increase on all products. All orders must call for immediate delivery.

It is very important to take note that orders may be limited. We will strictly limit orders to a quantity based on your average monthly shipments over the last six months and reserve the right to accept or decline orders for any reason. Please contact your Sales Representative if you need any additional information.

Thank you for your continuing support of AmTopp and Pinnacle stretch film products.

Sincerely,

Tony Tseng
VP Marketing
