Ref: Pallet Stretch Film Price Increase

Dear Valued Distributor:

Resin manufacturers have implemented a May industry-wide price increase. As a result, Western Plastics is announcing a price increase as follows:

All Pallet Stretch Films 5%

Normal order requirements received on or before July 17th 2009, calling for immediate shipment will be invoiced at current levels. Orders received on or after July 20th 2009 will be billed at the increased price.

Western Plastics continues to offer a range of down gauged, high performance films designed to keep your film costs low. The expanded HYBRiD80 line of films is available in:

HYBRiD80 Banding Films
HYBRiD80 Hand and Machine Films
HYBRiD80 Wide Web Films
HYBRiD80 Color Films
HYBRiD80 Extended Core Films
(Also available in XP Prestretched Formula)

Call us today for an alternative, high performance stretch film and lower your stretch film costs.

Thank you for your continued support of Western Plastics.

Sincerely,

Patrick Cunningham
Vice President
Western Plastics
